

PERMANENT COSMETICS AND MEDICAL TATTOO TRAINING
FOR QUALIFIED PROFESSIONALS

TRAINING OPTIONS FOR PROFESSIONALS

With training starting at just £300+vat, Nouveau Contour welcomes all permanent cosmetics artists who wish to further develop their treatment skills.

We offer two main training routes: firstly, the opportunity convert to Nouveau Contour with our tailored packages (see Option 1), or individual courses for focusing on specific skills development (see Option 2).

OPTION 1

Convert to Nouveau Contour

- Tailored course packages, designed to meet your developmental needs.
- Become a Nouveau Contour trained/qualified artist.
- Master new skills and techniques.
- Packages include full Nouveau Contour post-training support.

If you want to improve your skills, plus gain a qualification recognised by insurers and clients alike, we recommend our bespoke conversion course. We can tailor a package just for you, offering you a selection of courses based on an analysis of your current skills and also your requirements in terms of how far you wish to progress on a professional level. It is possible to qualify at Bronze, Silver, Gold or Platinum level depending on these factors.

Examples of our individual courses are provided in this leaflet. Please contact our team to discuss your specific requirements and conversion package options.

OPTION 2

Individual Course Options

- Master new skills and techniques.
- Select from a range of courses, depending on your current skill level and needs.
- Receive a Certificate of Attendance.

If you are qualified elsewhere and simply want to focus on improving in certain areas, our individual course options may be the perfect route for you. For all courses aside from the medical tattoo options, upon completion of the training you will be awarded a Certificate of Attendance.

Pre-requisites apply to all courses for qualified professionals who have not progressed through the full Nouveau Contour training and development scheme. Please enquire for details.

TRAINING COURSES

Course	Level	Duration	Price*	Award	Learning Method	Summary
Cosmetic Artistry	Bronze	1 day	£150	Certificate of attendance	Theory and practical	Does the design phase feel like it is taking you too long? Refresh and hone your drawing and design skills with this superb class.
Infection Control and Pain Management	Bronze	1 day	£99	Certificate of attendance	Theory and observation	Do you feel up-to-date on your health and safety knowledge? Brush up on your skills and learn best practice procedures with this thorough and detailed training day.
Brow Perfecting	Silver	1 day	£300	Certificate of attendance	Theory and practical	Are your brows so-so? Whatever level you are at, we will improve your work by focusing on your hair stroke techniques, needle selection, stretch and more. You'll also expand your treatment skills by learning shading and combination brow techniques.
Eye Perfecting	Silver	1 day	£300	Certificate of attendance	Theory and practical	Perfect if you want to improve your eye treatments. Are you confident working outside of the lashes? How are your tapering and contouring techniques? We will troubleshoot your work and provide you with guidance, techniques and advice designed to improve your treatment outcomes.
Lip perfecting	Silver	1 day	£300	Certificate of attendance	Theory and practical	How confident are you with lips? This day is designed to improve the core skills of lining, colour packing and shading. This will be underpinned with those all-important stretch and application techniques. The perfect foundation course for Gold-level Advanced Lips.
Advanced Brows	Gold	1 day	£375	Certificate of attendance	Practical	Learn even more challenging brow treatments and techniques. Suitable only for techs fluent in hair stroke brows. This day looks at alternative design techniques for improved flow, direction and realism. In addition the day covers advanced needle configurations, men's brows and achieving even more intense yet natural brow results for women.
Advanced Eyes	Gold	1 Day	£375	Certificate of attendance	Practical	There's more to eyes than eyeliner. Learn advanced techniques, needles and skills designed to give you the professional edge. Only suitable for techs fluent working around the eyes, the day focuses on colour blending, shading and edging techniques, new needles and advanced application techniques.
Advanced Lips	Gold	1 day	£375	Certificate of attendance	Practical	Confident with lips? Good, because this day will push your boundaries and help you to master a range of advanced skills. Re-define and lift lip contours with skill and confidence, master new needles and techniques, improve your lining, shading, application efficiency and colour hold.
Working with the Educators	Gold	1 day	£300	Certificate of attendance	Observation and assisting	Observing can provide a superb opportunity to take a step back, learn and absorb a huge amount of information. Get valuable tips and technical advice, see the best solutions to problems and learn to how to apply them yourself. Get all your questions answered.

TRAINING COURSES
